

GOLDSEAL T-O CAP SHEET

PRODUCT INFORMATION

Goldseal Torch-On (T-O) Cap Sheet is a SBS modified bitumen membrane with a polyester fibre carrier, mineral finish on the upper surface and a thermo-fusible film on the underside.

Surface	Product Code
Brown	60183823
Black	60183824
Green	60183827

USE

Goldseal Torch-On Cap Sheet is suitable as the cap sheet layer within both a **Full Torch Applied Waterproofing System** and a **Guardian Roof Waterproofing System**.

The product must be applied by an IKO trained and assessed Approved Installer, working for a registered IKO Approved Contractor in the **Goldseal** system. All work must be undertaken in accordance with the requirements of the specific information given with the IKO Specification document.

INDEPENDENT ACCREDITATION

0086-CPD-537586

The product carries a Declaration of Performance Certificate, and an Agreement Certificate 91/2671.

FEATURES & BENEFITS

High performance - exceptional dimensional stability and tensile strength

Fire performance - graphite coated to give exceptional fire resistance properties

High specification - comprehensive guarantees available covering materials, workmanship and design

PERFORMANCE & COMPOSITION

Composition:	SBS
Form:	Roll
Colour:	Brown, Black, Green
General Dimension Data	
Length:	8m
Width:	1m
Mass/Weight:	4.58Kg/m ²
Roll Weight:	36Kg
Carrier:	Polyester

Performance Data

External Fire Performance (EN 13501-5): Broof t4

Maximum Tensile Force (EN 12311-1):

Longitudinal	≥700N/50mm
Transverse	≥600N/50mm

Elongation (EN 12311-1):

Longitudinal	≥25%
Transverse	≥35%

Tear Resistance - Nail:

Longitudinal	≥500N
Transverse	≥500N

Flexibility at low temperature (EN 1109):

Static loading: <-20 °C

Static loading: 20Kg

Installation Method

Membrane Bond:	Torch applied
Lap Bond:	Torched

DISCLAIMER

As this product is utilised within an Approved Contractor network and guided by an IKO Specification document, where omission or differing information exists the IKO Specification document will take precedence.

Whilst every precaution is taken to ensure that the information given in this literature is correct and up to date it is not intended to form part of any contract or give rise to any collateral liability, which is hereby specifically excluded.

IKO reserve the right to amend and/or withdraw this document without notice. Intending purchasers of our materials should therefore verify with the company whether any changes in our specification, application details, withdrawals or otherwise have taken place since this literature was issued.
